JUNE 2022 | CALL FOR APPLICATIONS

POWERPOINT TO E-LEARNING

This mini module is for everyone who has conducted lectures supported by PowerPoint Presentations - we will show you how to use your slides for online teaching and learning! Be prepared to leverage existing material for E-learning purposes and to get some insight into pedagogy for the digital realm along the way.

WHAT YOU NEED

- a total of four hours to work on the mini-module
- time to participate in two Zoom sessions
- some experience using PowerPoint and Moodle

WHAT YOU WILL LEARN

- how to make presentations work for digital learning
- how to save your presentations in different formats
- how to display your presentations in a learner-appropriate way in the Moodle LMS
- how to tidy up the layout of your presentations - optional

ZOOM SESSIONS

08.06.22 11 AM - INTRODUCTION TO THE MODULE

15.06.22 11 AM - WRAP-UP MEETING
