

NOVEMBER 2022 | CERM-ESA CALL FOR APPLICATIONS

STRENGTHENING POST-GRADUATE SUPERVISION

THE COURSE IS AIMED AT STRENGTHENING POSTGRADUATE SUPERVISION CAPACITY BY DEEPENING THE UNDERSTANDING OF 'SUPERVISION AS PEDAGOGY'.

The course content takes into account the diverse contexts in which supervisors work as well as the differences in the postgraduate supervision processes across different disciplines. The pedagogical approach of this online course draws on participant interaction with the online interface, participant reflexivity to enable learning from one's own and each other's supervision experiences and reading of relevant postgraduate supervision related research.

The course consists of self-directed learning on the Moodle platform and eight Zoom sessions.
