## IN-COUNTRY/IN-REGION SCHOLARSHIP PROGRAMME

DAAD Master/PhD Scholarships in Sub-Saharan Africa for Sub-Saharan African citizens

The DAAD awards Master and PhD scholarships in development-related and SDG-oriented fields in Sub-Saharan Africa to Sub-Saharan African citizens! Join our [web seminars](#) and learn more about open funding opportunities for your postgrad studies in Sub-Saharan Africa!

JOIN A NETWORK OF AFRICAN SCHOLARS WITH CONNECTIONS TO GERMANY!

### WHO CAN APPLY?

The target group for scholarships are graduates and postgraduates from Sub-Saharan Africa with a first academic degree if applying for a Master programme, or with a Master degree if applying for a doctoral programme who want to pursue Master's or PhD courses in their home country or which they have a residence permit (so called In-Country scholarships) or in another Sub-Saharan African country or which they do not have a residence permit (In-Region scholarships).

Please note that South African (ZA) students cannot apply for In-Region scholarships through this programme tender. In-Country students from South Africa (ZA) can apply through the NRF/DAAD scholarship programme.

Female applicants and candidates from less privileged regions or groups are especially encouraged to participate in the programme!

### WHAT KIND OF DEGREE PROGRAMMES ARE OFFERED?

Scholarships are available for Master and PhD courses in Malawi, Namibia and South Africa for a wide range of disciplines, including

Aquaculture and Fisheries Science; Computer Science; Urban Studies - Southern Urbanism; Development Studies at ISD; Molecular Biology and Human Genetics

Check out DAAD's Scholarship Database for further details!

### WHAT ARE THE BENEFITS?

Scholarship holders: individual scholarship payments, payment of tuitions fees, summer schools and research stays in Germany and skill trainings.
