WHO SHOULD ATTEND?

This training is tailored for active DIGI-FACE members of the DAAD Centres of Excellence in Africa. Since this is a regional training for East Africa, the following Centres are invited to participate: CEMEREM, TGCL, SCO and CERM-ESA. Target participants of the training are:

Academic staff
Administrative personnel
E-learning enthusiasts

Three participants of each of the Centres' partner institutions (University of Dar es Salaam, Taita Taveta University, Moi University, University of Nairobi and Uganda Management Institute) will be funded (travel and subsistence costs) from DIGI-FACE funds.
