

ADMINISTRATION ESSENTIALS FOR CENTRE IT MANAGERS AND COORDINATORS

March 2024 | Call for applications

**This mini-module is for
centre IT managers,
coordinators and
anyone with an interest
in learning more about
Moodle.**

ZOOM SESSIONS

28 MARCH 2024 / 2PM
11 APRIL 2024 / 2PM

CENTRAL AFRICAN TIME

Enroll in 'Administration Essentials for Centre IT Managers and Coordinators.' This course is designed for DIGI-FACE members eager to learn more about the Online Classroom through Moodle. Moodle is an open-source Learning Management System (LMS) and platform of choice for countless global universities.

Join us to gain dual expertise in navigating Moodle, both from the perspectives of a participant and a teacher. Register now and start reshaping the future of learning and teaching.

WHAT WE EXPECT

- Participate in the Zoom sessions
- Complete all activities and quizzes on moodle
- Share your impressions and ideas in the Course Forum

REQUIREMENTS TO APPLY

- This OER course is offered to all members of the DIGI-FACE community.
