The course content takes into account the diverse contexts in which supervisors work as well as the differences in the postgraduate supervision processes across different disciplines. The pedagogical approach of this online course draws on participant interaction with the online interface, participant reflexivity to enable learning from one's own and each other's supervision experiences and reading of relevant postgraduate supervision related research.

The course consists of self-directed learning on the Moodle platform and eight Zoom sessions.

WHAT WE EXPECT

- Participation in at least 6 out of 8 Zoom sessions.
- Completion of the activities and assignments on Moodle.

REQUIREMENTS FOR REGISTRATION

- A PhD degree.
- At least three years of supervision experience.
